SUBJECT: Notification of Previous Bank Account Hold & Submission of New Commercial Registration (CR) Documents

Dear Valued Client,

We are writing to inform you that our bank account, previously used for transactions with your company, has been placed on hold by the bank due to the non-renewal of our Commercial Registration (CR) in a specific reason where our SGC Company CR is no longer renewable.

Please be assured that this situation affects only that reason. To ensure continuous and improved service to your company, we have taken immediate corrective action.

We have now obtained a new Commercial Registration along with all relevant updated documents. Enclosed with this letter, please find: Job Riser General Contraxting & Trading Co.

· New Commercial Registration (CR) certificate
· Updated Tax / VAT certificate
· Bank account confirmation letter

Important Note for Future Payments:

Kindly update your vendor records with our new CR details and bank account details. If you require any further clarification, please contact us immediately.

We deeply regret any inconvenience this may cause. Our goal is to maintain a seamless business relationship with you. We remain fully committed to fulfilling all existing and future orders without disruption.

Thank you for your understanding and continued trust.

Sincerely,
